

# Forage-along LIVE

## @ 7pm Thursday 2<sup>nd</sup> July 2020

---

### **Beforehand:**

See if you can find these locally. Make a note of where they are. We will visit each plant together where Hazel will give tips for what you can do with each plant.

After we have visited all five, we will go to open questions where you can show and share any items in your garden,

### **Elder**
